THE SCHOOL

True North Troy Preparatory Charter School (Troy Prep) currently serves over 700 students K-11 in Troy, New York. In the pursuit of academic excellence, students partake of a rigorous college preparatory extended-day program. Students strive to be well versed in a traditional body of knowledge across content areas, enabling them to challenge old ideas and create new knowledge. Students are expected to embrace challenges, collaborate, draw connections, and engage in intellectual discourse and debate.

Our school is a member of a network of some of the most successful charter middle schools in the country, including North Star Academy in Newark, New Jersey and Boston Preparatory Charter School. These schools have consistently prepared all students to succeed in college, the same result we expect for our students here at Troy Prep.

SCHOOL PROFILE

Troy Prep High School opened its doors to approximately 50 9th graders in August 2017. and will graduate its class of seniors in June 2021..

MISSION, VISION, VALUES

The mission of Troy Prep is to prepare all students to enter and succeed in college through effort, achievement and the content of their character. In school and upon graduation, students will be respectful and responsible, understanding that through their efforts, they will achieve, succeed and give back to their community.

All Troy Prep students will demonstrate excellence in reading, writing, math, science and history while consistently exemplifying the virtues of fortitude, leadership, imagination, gratitude, honesty, and teamwork.

RESPONSIBILITY & ACCOUNTABILITY

Students, Parents, and Teachers

The choice to send your child to Troy Prep demonstrates your high hopes and expectations of your child, and us. We are committed to making your hopes and expectations a reality as we prepare your child for college. But we cannot do it without you. **Troy Prep's success depends on the students, families, and teachers all fulfilling their roles.**

Students are expected to act respectfully towards all students and staff and to make positive contributions to the school community. They are expected to attend school daily and punctually, to actively participate in all classes, to complete all homework assignments, to seek out and leverage extra tutoring when needed and to work productively in Homework Detention when required. Finally, students are expected to accept and strive to learn from consequences for their behavior.

Parents and other family members are asked to uphold and support the school's mission, policies, and Code of Conduct. Even if individual decisions can be challenging at times the Code of Conduct is established for the good of all. We ask that you ensure that your child arrives punctually each day, ready to participate and learn. We ask that you oversee your child's completion of all homework assignments nightly, that you communicate consistently with the school, and that you support the requirement of Homework Club for students who require it. Finally, we ask that you help reward your child for positive behavior and help him or her accept and understand consequences for poor behavior.

Teachers are expected to prepare engaging, demanding lessons in all classes, to assign and evaluate appropriate homework each night, to arrange for tutoring or Homework Detention when needed, and to guide students on the path to college. They are also expected to exemplify the school's virtues of fortitude, leadership, imagination, gratitude, honesty, and teamwork.

To underscore this commitment we ask that students, parents and teachers sign the following Troy Prep Contract for Achievement.

13. Expulsion from school

In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties may consider, among other things, the student's prior disciplinary record.

Detention

Teachers, the Principal, other school personnel, and their designee(s) may use after-school as a penalty for violations of the Code of Conduct. Parents will be notified by phone when and if their students are required to serve detention.

Suspension from Transportation

Students who do not conduct themselves properly on a bus may have their riding privileges suspended by the Principal or the Principal's designee(s). In such cases, the student's parent(s)/guardian(s) will become responsible for seeing that his or her child gets to and from school safely.

Short Term In-School Suspension or Short Term Suspension from School (less than ten days)

When the Principal or Principal's designee (referred to as the "suspending authority"), such as a Dean of Students, proposes to impose in-school suspension or suspend a student charged with misconduct for less than ten days, the suspending authority must provide notice and the opportunity for an informal conference. However, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process.

After the conference, the Principal or his/her designee shall advise the parent(s)/guardian(s) in writing of his or her decision. If the parent(s) /guardian(s) are not satisfied with the decision of the Principal or his/her designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the Principal's decision. The appeal to the Board will be handled by the Board's designee, the School's Managing Director from Uncommon Schools, Inc., or his/her designee.

Long Term In-School Suspension or Long Term Suspension from School (ten or more days)

When the Principal determines that a suspension for ten or more days may be warranted, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. The Principal or his/her designee shall give reasonable notice to the student and the student's parent(s)/guardian(s) of their right to a fair hearing.

At the hearing, the student shall have the right to be represented by counsel or advocate (at the student's/parent's expense), the right to question witnesses against him/her, and the right to present witnesses and other evidence on his/her behalf. The Board's designee, the School's Managing Director from Uncommon Schools, Inc., or his/her designee, shall personally hear and determine the proceeding or may, in his/her discretion, designate a hearing officer to conduct the hearing. The Board's designee or the hearing officer shall be authorized to hear testimony and request documents in conjunction with the proceeding before him/her. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the Board's designee. The report of the hearing officer shall be advisory only, and the Board's designee may accept all or any part thereof.

If the parent(s) /guardian(s) are not satisfied with the decision of the Board's designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the decision of the Board's designee. The Board may adopt in whole or in part the decision of its designee and will make its decision based solely upon the record before it.

The School will provide alternative instruction to students suspended in-school or out-of-school within 24 hours of any suspension in accordance with New York's compulsory education laws.

Expulsion is reserved for extraordinary circumstances, including but not limited to circumstances where a student's conduct posed or continues to pose a danger to the safety and well-being of themselves, other students, school personnel, or any other person lawfully on school property, attending a school function, or on school-provided transportation. The procedure for expulsion shall be the same procedure set forth for long-term suspension.

DISCIPLINE OF STUDENTS WITH SPECIAL NEEDS

The School recognizes that it may be necessary to suspend, remove, or otherwise discipline students with disabilities to address disruptive or problem behavior. The School also recognizes that students with disabilities enjoy certain procedural protections whenever school authorities intend to impose discipline upon them. The School is committed to ensuring that the procedures followed for suspending, removing or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. In the event that your student with a disability is suspended for more than 10 school days, you are entitled to a Manifestation Determination Review at the Committee on Special Education. You may contact the Special Education Coordinator for further details.

STUDENT SEARCHES

The School authorizes the Principal and the Principal's designee(s) to conduct searches of students and their belongings if the authorized school official has reasonable suspicion to believe that the search will result in evidence that the student violated the law or the School's Code of Conduct or otherwise constituted a threat to the health, safety, welfare, or morals of the School, other students, school personnel, or any other person lawfully on school property or attending a school function. In authorizing searches, the School acknowledges both state and federal constitutional rights which are applicable to personal searches of students and searches of their possessions.

School employees will be considered

reliable informants unless they are known to have previously supplied information that they knew was not accurate.

Students may be subject to personal searches and searches of their possessions where reasonable individualized suspicion exists to conduct such search. Reasonable individualized suspicion to conduct a search of a student or a student's possessions and the scope of the particular search shall be based upon, among other things, the student's age, the prevalence and seriousness of the problem to which the search is directed, the urgency necessitating an immediate search, and the probative value and reliability of information used as justification for the search.

Students have no reasonable expectation of privacy rights in school lockers, cubbies, desks, or other school storage places. The School exercises overriding control over such school property, which may be opened and subjected to inspection at any time by school officials.

STUDENT RECORDS

The School recognizes the legal requirement to maintain the confidentiality of student records. Access to student records shall be consistent with federal statutes, including the Family Educational Rights and Privacy Act of 1974 (FERPA) and its implementing regulations.

The School also recognizes its responsibility under the Local Government Records Law to ensure the orderly retention and disposition of the School's student records.

At least once each year, the School shall by means of an individual mailing or by inclusion in one of the School's regular publications, notify all parents and eligible students of their rights under FERPA. The notice will include a statement that the parent or eligible student has a right to:

- 1) Inspect and review the student's education records;
- 2) A specification of the intent of the School to limit the disclosure of personally identifiable information contained in a student's education records except:
 - a. by prior written consent of the student's parent(s) or guardian(s) or the eligible student;
 - b. as directory information; or
 - c. under certain limited circumstances, as permitted by FERPA.
- 3) Request that records be amended to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights;
- 4) File a complaint with the U.S. Department of Education alleging failure of the District to comply with FERPA and its regulations; and
- 5) Obtain copies of this policy and the locations where copies may be obtained.

The policy applicable to the release of student directory information, which includes the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of degrees and awards received, and the most recent educational agency or institution attended by the student, applies equally to military recruiters, the media, colleges and universities, and prospective employers.

The School shall arrange to provide translations of this notice to non-English speaking parents in their native language.

The School does not plan to publish a directory of student information. In the event that the School plans to publish a directory in the future, FERPA permits the disclosure of certain categories of directory information, i.e., name, age, address, etc., without specific permission from the parents having been obtained. However, while permission is not required, the School must give parents/legal guardians the opportunity to object to the publication of some or all of this information.

HEALTH POLICIES

The School provides the health services required by law. Students with serious injuries are taken to the hospital for emergency medical care and the parent(s) or guardian(s) are notified immediately.

If a student requires medication of any kind (including Tylenol, aspirin, and asthma inhalers), the student's parent/guardian must submit an Authorization to Dispense Medication form and must give the medication in the original container to the Nurse or Office Manager.

The parent/guardian of any student who is required to carry an asthma inhaler on his/her person must provide an Authorization to Dispense Medication form specifying that the student needs to carry the inhaler with him/her and a second inhaler that is kept in the Nurse's office or with the Office Manager.

The School abides by all New York State immunization requirements. Each new student must have a certificate of immunization at the time of registration or not later than the 14th day of school. Parents/guardians must present documentation that their children have received all required doses of vaccines or are waiting to receive the subsequent doses at the appropriate time intervals. Parents seeking to waive the immunization requirement should submit their request to the school Nurse or Office Manager. The Nurse will review the request and will advise the Principal, who will make the final decision on whether to grant the waiver request.

INTERNET SECURITY POLICY AND USE OF TECHNOLOGY

Undesirable Materials: The School will take all possible precautions to restrict access to undesirable materials including, but not limited to, installing content filtering software/hardware solutions on its network or using an Internet provider which uses content filtering software on its equipment to screen all Internet web sites by URL and/or by keyword search. However, students must also accept responsibility for restricting access to these materials. Students who gain access to undesirable Internet materials must report this material to their teacher.

Security: Students must not allow others to use their network accounts (both Internet and School accounts). Network storage areas may be treated like school lockers. Designated school personnel may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on school file servers will always be private.

E-Mail: Student use of personal email is not allowed in school.

Social Networking, Blogging, Chat and Other User Groups: Student use of social networking, blogging, chat and other user groups is not allowed without approval from the supervising teacher.

Copyright and Citations: Any copyrighted materials are subject to the Fair Use provision of copyrighted materials as it relates to education. Internet materials used in reports or other documents must be cited. If there is no direct citation, the Uniform Resource Location (URL) must be cited. The use of internet sources without proper citation constitutes plagiarism.

Downloading: Downloading from the Internet without approval from the supervising teacher is not allowed.

Private Internet Providers: Students may not use school computers to access private Internet providers.

Acceptable Internet Usage: The School will ensure age-appropriate internet usage among students who use its internet facilities. This will enforce the School's commitment to student safety with regard to:

- safety on the Internet; and
- appropriate behavior while on online, on social networking Web sites, and in chat rooms, including but not limited to:
 - Unauthorized access including "hacking" and other unlawful activities undertaken online by minors;
 - Unauthorized disclosure, use, and dissemination of personal information regarding minors;
 - Cyberbullying awareness and response; and
 - Other behavior determined to be threatening, intimidating or otherwise inappropriate in any way.

Telephones: Students are prohibited from using school telephones. In the event of an emergency, students may be allowed to use school telephones, but only at the discretion of school staff members.

Cell phones: Students are prohibited from carrying cell phones during the school day. Cell phones taken out at school will be confiscated per the school's code of conduct. If you chose to send your child to school with a phone, it will be collected by the supervising teacher in the morning, locked away, and returned at dismissal time. The school is not responsible for any lost or damaged phones. We encourage families not to send their children with any valuables, including cell phones. Students are only allowed to use the school phone in the event of an emergency with permission from a school staff member.

SOCIAL MEDIA POLICY

Social Media is a powerful and effective tool for keeping people connected and the School respects the rights of parents to engage in free and open communication of their personal information through the individual use of weblogs, internet diaries, social websites like Facebook, Twitter, Instagram, LinkedIn, YouTube, Vimeo, and other forms of online discourse ("Personal Online Activities"). However, when these Personal Online Activities contain content that could be detrimental to the School, its faculty or its students, they become an appropriate focus of the School's policy.

Parents are personally responsible for the content of their Personal Online Activities, and the following guidelines should be followed:

1. The content of Personal Online Activities may not contain:
 - a. any reference to confidential or privileged information or activities of School students or their families, whether by name or implication;
 - b. any reference to confidential School information;
 - c. any reference to School students, faculty, staff, administrators, or trustees whether by name or implication, that would in any manner defame such individual;
 - d. any reference to confidential or privileged information or activities of School faculty, staff, administrators, or trustees; or
 - e. any material that in the sole discretion of the School is considered obscene, defamatory, threatening, harassing, illegal, or abusive to any person or entity associated with the School.
2. When posting classroom photos, please be respectful of the fact that other parents may not want their child's photograph posted to your Social Media site(s). Do not post photos of your child's classmates without their permission.
3. Remember to THINK before you post anything pertaining to Troy Prep students:
 - T - Is it true?
 - H - Is it helpful?
 - I - Is it inspiring?
 - N - Is it necessary?
 - K - Is it kind?

VISITORS TO THE SCHOOL

The School encourages parent(s)/guardian(s) and other School citizens to visit the School's schools and classrooms to observe the work of students, teachers and other staff. Schools are a place of work and learning, however, certain limits must be set for such visits. The Principal is responsible for all persons in the building and on the grounds. For these reasons, the following rules apply to visitors to the schools:

- 1) Anyone who is not a regular staff member or student of the school will be considered a "visitor".
- 2) All visitors to the school must sign in and report to the main office.
- 3) Teachers are expected not to take class time to discuss individual matters with visitors.
- 4) Any unauthorized person on school property will be reported to the Principal. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
- 5) All visitors are required to abide by the rules for public conduct on school property contained in this Code of Conduct. By entering school property, visitors accept these rules.

The School is committed to providing an orderly, respectful environment; therefore, it is necessary to regulate public conduct on school property and at school functions.

DRESS CODE

Clothing worn by students at Troy Preparatory Charter School should emphasize the fact that the school is both a community and a place of work. Students should dress in a way that expresses their membership in the community and that suits the standards of a workplace. Their attire should be neat and tidy and should conform to the uniform at all times.

When scholars enter their first period class, they must be in the proper uniform. They cannot change into the school uniform during class or tuck their shirts in only after getting to class. Scholars also may not change out of their uniform before dismissal. Doing so may result in earning FLIGHT violations. Scholars who attend school events at night – on school grounds or otherwise – are expected to be properly dressed in either the school uniform or in professional attire. This includes never wearing hats or hoods past the entry doors in the school building.

The school uniform can be purchased directly the designated school vendor. Scholars who do not follow the guidelines will receive violations and/or a detention.

ADDITIONAL BEHAVIORAL GUIDELINES

Respecting the Community

The school is extremely fortunate to occupy space at 2 Polk St. As members of this community, dependent upon its good will to succeed, all students are expected to be thoughtful and respectful toward neighbors, visitors and other members of the community at all times.

- Students will exhibit courteous behavior whenever traveling to or walking in other parts of the school building.
- Students will not enter any part of the building that is not a part of the Troy Prep High School space.
- If a Troy Prep student has a negative interaction with any member of the community, that student should inform a Troy Prep staff member and allow the Principal or his/her designee to resolve the situation.
- Students traveling to and from school on foot or via bus should to conduct themselves as if they were in the school hallways: travel on the sidewalk in a safe and orderly fashion; dispose of waste appropriately; do not loiter outside or near the school building; and remember that they are representatives of Troy Prep and treat all neighborhood community members with respect.
- Families who drive their children to or from school should drop their children off at the designated entrance.

Bus Behavior

- Students who take the bus to school are expected to act responsibly and respectfully at all times.

If the School Leader determines that the student has behaved inappropriately on the bus, the Leader may impose any of the following consequences: detention, suspension, and loss of bus privileges for up to the remainder of the school year.

IN THE CLASSROOM

Student Expectations and Classroom Procedures

ATTENDANCE POLICY

Students can only be successful if they are present at and prepared for school every day. At Troy Prep, excessive absences will not be tolerated. If a student is absent with or without excuse for more than 10 days of the school year, that student will be required to repeat his or her current grade.

Parents and guardians are expected to call the school as early as possible but no later than 7:30 AM if their child will be absent. Calls should be made as far in advance as possible and may be left on the school's main voice mail if necessary. If a student is not in homeroom and the school has not been notified that he or she will be absent, his or her parent or guardian will be called at home and/or work. In phone calls, voice mails, and notes, please leave or list your child's name, your relationship to the child, and the reason for and date(s) of the child's absence.

Questions regarding student attendance and attendance records should be directed to the school's Office Manager.

A student is considered absent with excuse when the student's family has contacted the school regarding an illness, emergency, or religious observance. All other absences will be considered unexcused, including but not limited to, family vacation, participation at sports tournaments, attendance at entertainment events, or when the family has not contacted the school with a satisfactory reason.

If prior notification has not already been provided, the student is required to bring a signed note from his or her parent or guardian explaining the reason for the absence upon his or her return. A note from a doctor may be required in lieu of the parent note, especially in the case of an extended absence.

If a student is absent for the first five days of school, or at least five consecutive days during the school year, and there has been no successful contact between the family and the school to explain his or her absences, the school may take action to un-enroll the student.

Students who are absent from school cannot attend or participate in school sporting events, dances, or any other school-sponsored activities occurring on the day of the absence, unless the school has given advance permission.

SNOW CLOSINGS

In the event of poor weather conditions such as heavy snow, please listen to your local television or radio stations for relevant information regarding school cancellation. Except on days when Troy Prep is in session and City schools are not, Troy Prep follows the exact same cancellation policies as Troy City Schools. If Troy City Schools are closed or delayed, so is Troy Prep.

LATENESS

Late students who arrive at school between 7:40 AM and 8:00 AM should go directly to the cafeteria for Morning Circle where they will wait until Morning Circle has been completed. Students late to school who arrive after 8:00 AM should go to the Main Office to get a late pass. After the student receives a late pass, the student will be directed to head to their homeroom to hang their belongings then go directly to class. Students who are late will also receive disciplinary consequences as determined by the Principal or his/her designee. Excessive lateness will not be tolerated. Breakfast will not be provided after 8:15 AM.

EARLY DISMISSAL POLICY

Should an early dismissal be required, a parent or guardian should contact the school in advance. In addition, the parent or guardian must sign the student out with the Main Office before removing the student from school grounds. Students will not be dismissed unless a parent, guardian or designated emergency contact has come to the Main Office. If we do not have a signed form designating an individual as an emergency contact and/or if we are not able to corroborate the identity of a contact with proper ID, we will be unable to release your child.

In order to minimize disruptions to class, we ask that notification regarding early dismissals be made as far in advance as possible, but no later than 12:00 PM of the day of the early dismissal. We also ask that doctor and dentist appointments be limited to non-school hours whenever possible to avoid students missing class time.

Families are encouraged to consider the class period start and ending times when determining early dismissal requests. In order to minimize disruptions, students cannot be dismissed in the middle of a class period.

Students who repeatedly miss the same classes as a result of early dismissals may be required to make up missed class time and may earn full-day absences as a result.

HOMEWORK & EXAMS

Homework Detention

Each student is expected to complete all of his or her assigned homework on time every day. Homework is collected whenever it is assigned. If a student does not satisfactorily complete their assigned homework, he or she is required to attend Homework Detention that day or the next, making up the missed work, beginning the next night's work, or completing any other work assigned by the teacher.

While dismissal is at 4:00 PM, scholars whose performance demonstrates a need for extra help in any of the core academic subjects of English, Math, History, or Science, may be required to stay past 4:30 PM. Therefore, **please note that a scholar's academic performance may determine the length of their school day.** This may be as late as 5:00 PM. The most important thing for the school is that scholars are prepared to succeed in their classes, and that they receive the supplemental support they

need to reach that goal. It is also important that scholars take ownership over their own grades and visit teachers when they are struggling academically.

Once a student has left the building for dismissal, they will not be permitted back into the building.

Afterschool office hours, homework support, and supplemental instruction in the core subjects are available to any scholar having academic difficulties. Based upon standardized exams such as the New York State Regents, PSAT/SAT, ongoing internal assessments, progress reports, and report cards, teachers identify scholars in need of supplemental services. Teachers provide frequent and regularly scheduled tutoring and academic instruction after school.. Teachers and Advisors call families regularly to coordinate this after-school support.

EXAMS AND QUIZZES

If a student is absent with excuse for a test, he or she should be prepared to make it up on the day of his or her return, unless alternative arrangements have been made. If a student is absent without excuse, he or she may not be allowed to make up a test.

STUDENT SUPPLIES

While this is certainly not a complete list of everything students need to be successful at Troy Prep, the following is a list of supplies all students are expected to have by the first day of school:

- Professional backpack/book bag
- 2 pencils, yellow or mechanical

The school will purchase and distribute a specific calendar/organizer that will help scholars keep track of assignments and when things are due. **It is mandatory that the planner be brought to school daily. If a scholar loses his/her planner, he/she will be issued a replacement and a \$5.00 fee will be charged to him/her.**

Teachers will be handing out subject specific materials lists during the first week of school. Families may purchase other supplies for scholars to use at home.

Scholar book bags and backpacks should look professional and be reflective of the scholarly effort and hard work we expect from all scholars.

We encourage all students not to bring non-essential items of value to school – monetary or otherwise – Troy Prep will not be held responsible for any lost, stole, or broken items of value. Students who bring inappropriate items to school, including, but not limited to: toys, hats, CD players, iPods, mp3 players, laser pointers, beepers, pagers, hand held video games, wearable technology such as smart watches, and cell phones, will have such items confiscated. A parent or guardian must come to the school to retrieve confiscated items.

BREAKFAST

The Troy Prep arrival begins at 7:40 AM with a breakfast block followed by transition to students' designated advisory class. Students who arrive after 8:00 AM will not be able to eat breakfast.

ADVISORY GROUPS

Students at Troy Prep each have an assigned Advisor. The Advisor is responsible for helping students achieve their best. While students should feel free to speak with any of their teachers about difficulties or challenges they encounter in or out of class, their Advisor is the person who is most aware of their particular needs. The Advisor also speaks with parents or guardians periodically to report on specific academic and behavioral progress. Families are strongly encouraged to call their child's Advisor with any questions or family information.

SCHOOL CALENDAR

More Days of Instruction

In order to fulfill our mission of preparing students for college, Troy Prep offers a school year of 185 days, approximately 10 more days than most school districts. In general the school year starts at the end of August and finishes the last week of June.

Progress Reports, Report Cards, and Family-Teacher Conferences

Teachers and staff use regular progress reports and quarterly report cards to communicate students' academic and behavioral performance. Progress reports are sent home with students to be signed by their parents and brought back to school the next school day. Report cards are distributed at Family-Teacher Conferences, which families must attend in order to receive their students' report cards. If a family cannot attend Family-Teacher Conferences, they must schedule another time with the school to meet with teachers and pick up their student's report card. If a student or family owes any school materials or funds at the end of the school year, the final report card may be withheld until those materials are returned or paid for, and all accounts are clear.

PROMOTION POLICIES

Students who receive a final failing grade (below a 70) for a class do not receive credit for that class. The final grade is based on individual quarter grades and a comprehensive final exam.

When a student fails a **single course core course (English, Math, Science, History, Spanish)**, they may will be required to make up the course through a summer program or an alternative method approved by the school.

When a student fails **two or more core courses** they will be required to repeat the grade. In subjects that require less than four years of credit (Electives, Digital Art, College Prep, Physical Education), students must make up the class in a subsequent school year.

Assessment

In addition to traditional classroom assessment measures and other performance evaluations, TPHS uses several other assessment tools to evaluate the progress of our scholars:

1. **New York State Assessments:** So that scholars are held to the same standards as other scholars in the State, TPHS administers all state exams on the same schedule as the New York City public schools, to demonstrate both school-wide and individual scholar progress. The state's exams are generally given in October (PSAT), January (New York State Regents Exams), March (SAT exams), May (SAT and Advanced Placement Exams), and June (New York State Regents Exams/Advanced Placement Exams).
2. **Interim Assessments (Quarterly Exams):** To demonstrate regular scholar progress throughout the year, and to address scholars' on-going academic needs, TPHS administers Interim Assessments in all subjects. These assessments are created and coordinated by TPHS faculty based on the school's expectations for what each scholar should know and be able to do at the end of each high school grade level. The exams are generally given every quarter though more precise testing schedules are discussed with scholars and families at the beginning of the school year.
3. **Final Exams:** At the end of every core academic class in every grade, scholars take a final, comprehensive exam that covers all material covered throughout the year. Scholars' final exam performance counts as a separate percentage of their overall, final grade.
4. **Progress Reports, Report Cards, and Family-Teacher Conferences:** Teachers and staff use regular progress reports and quarterly report cards to communicate scholars' academic and behavioral performance. Progress reports are sent home with scholars to be reviewed at home with families. Scholars then return a signed letter from their families indicating receipt and review. Report cards are distributed at Family-Teacher Conferences, which families must attend in order to receive their child's report card. If a family cannot attend Family-Teacher Conferences, they must schedule another time with the school to meet with teachers and pick up their child's report card. If a scholar or family owes any school materials or funds at the end of the school year, the final report card will be withheld until those materials are returned or paid for, and all accounts are clear.

BUILDING SAFETY

Troy Prep

There are a number of basic procedures the school has in order to ensure the safety and security of its students and staff. Cooperation on everyone's part will go a long way in guaranteeing that the business of the school – teaching and learning – can take place.

CLOSED CAMPUS

Under no circumstances are students to leave the school building or grounds without permission.

IN CASE OF EMERGENCY

In case of an emergency, parents or guardians should contact the Main Office either by phone or in person. Under no circumstances should parents or guardians contact students in their classrooms, including Office Hours and Detention, or attempt to withdraw students from the building without notifying and receiving permission from staff members in the Main Office.

FIRE SAFETY & EVACUATION PROCEDURES

Please note, some procedures may change once the school year has officially begun. Students will be notified of and trained in any significant changes.

In case of an emergency, students must follow the direction of staff members who will lead students outside the building to the designated locations, where school staff will line up students by class and take attendance.

Periodically throughout the school year, students and staff will participate in fire drills to ensure that the entire school community is familiar with the appropriate response in the event of an emergency. Should it be necessary to evacuate our school before, during, or after the school day—and it appears that we will be unable to return to the school for an extended period of time or for the rest of the day—school staff and students will evacuate, according to the school's evacuation plan.

More information on emergency procedures is contained in the school's SAVE plan, which will be shared with all parents and available from the Main Office.

TRANSPORTATION & SAFETY

Arrival and Dismissal

Students should not arrive to school before 7:30 AM. At dismissal, students should leave the school building; attend after school tutoring, or detention; or participate in an official school event such as an athletic team. Students who are not participating in one of the above activities must wait in the Main Office or in another designated afterschool location, under the supervision of a staff member.

Bus transportation will be provided by the Troy City School District. Buses will pick up and drop off students in the bus lane next to the school. As a result, we ask that parents who are dropping off and/or picking up students should come to the Polk Street entrance.

Students Who Walk

For students who walk to and from school, a number of streets must be crossed. Families should instruct students to use all of the appropriate crossing lights at each intersection, and to cross each intersection only when it is safe to do so within the designated crosswalks. Troy Prep encourages students who walk to travel together or in groups.

OPEN MEETINGS LAW

Troy Prep High School ("Troy Prep") abides by all of the following procedures in accordance with the Open Meetings Law, Article 7 of the Public Officers Law:

Board Meetings

The Board of Trustees opens its meetings to the general public, except when an executive session is called. Reasonable efforts are made to provide access to anyone interested in attending a meeting. If videoconferencing is used, Board provides an opportunity for the public to attend at any site where a member participates. A calendar of regular meetings is posted at the school in a location that is open to the public. In addition to this posting, notice of all meetings scheduled one week in advance is provided to the news media at least 72 hours in advance. Notice of meetings scheduled less than one week in advance, is provided to the news media within a reasonable time prior to the meeting to the extent practicable. If videoconferencing is used, public notice will say so, identifying the locations

from which members may participate, and will state that the public has a right to attend from any of these locations. This policy applies with equal force to Board committee meetings.

FREEDOM OF INFORMATION POLICY

Troy Prep High School (“Troy Prep”) complies with the following in order to abide by the New York State Freedom of Information Law (Article 6 of the New York Public Officers Law):

Any requests for school records or information from Troy Prep must be in writing and submitted to the Director of Operations. Within five business days of receipt of a written request, the school, depending on the requested information, responds by:

- Making the information available at the school itself during normal business hours to the person requesting it;
- Denying the request in writing; or
- Providing a written acknowledgment of receipt of the request that supplies an approximate date for when the request will be granted or denied, which date will be reasonable under the circumstances of the request.
- If a request will be granted in whole or in part, but cannot be granted within 20 days of the date of the school's acknowledgement of the request, the school shall state in writing the reason why it cannot be so granted and give a date certain when it will be granted in whole or in part, which date will be reasonable under the circumstances of the request.

If the person requesting information is denied access to a record, s/he may, within 30 days, appeal such denial to the Superintendent. (The records access officer and the appeals entity shall not be the same person) Upon timely receipt of such an appeal, the school, within 10 business days of the receipt of the appeal, fully explains the reasons for further denial or provides access to the record(s) sought. The school also forwards a copy of the appeal, as well as its ultimate determination, to the Committee on Open Government immediately after receipt or determination, respectively. If further denied, the person requesting information may further appeal through an Article 78 proceeding. Likewise, if the School does not follow the FOIL appeal procedures, it will constitute a denial of the FOIL appeal for purposes of allowing the requester to bring as Article 78 proceeding.

The school may deny access to requested records if:

- Such records are specifically exempted from disclosure by state or federal statute;
- Such access would constitute an unwarranted invasion of personal privacy;
- Such records, if disclosed, would impair present or imminent contract awards or collective bargaining negotiations;
- Such records are trade secrets and which, if disclosed, would cause substantial injury to the competitive position of a commercial enterprise;
- Such records are compiled for law enforcement purposes and which, if disclosed, would meet the conditions set forth in Public Officers Law §87(2)(e);
- Such records, if disclosed, would endanger the life or safety of any person;
- Such records are computer access codes; and/or
- Such records are internal materials which are not statistical or factual tabulations of data, instructions to staff that affect the public, a final policy, nor external audits.

The school maintains:

- A record of the final vote of each trustee in every proceeding in which the trustees vote;
- A record setting forth the name, public office address, title and salary of every officer or employee of the education corporation; and
- A reasonably detailed current list, by subject matter, of all records in the school's custody or possession.

There is no fee to inspect or search for records. Photocopies of records can be made on-site for 10 cents per page. By law, the fee for copying records shall not exceed 25 cents per page for photocopies not exceeding 9 by 14 inches. The fee for photocopies of records which are not an appropriate size for

the School's photocopy equipment shall not exceed the actual reproduction cost, which is the average unit cost for copying a record, excluding fixed costs of the agency such as operator salaries.

The school will publicly post a notice setting forth the name and address of its records access officer, its records appeals officer, and the location where records will be made available.

NCLB, SCHOOL REPORT CARD, & HIGHLY QUALIFIED TEACHERS

No Child Left Behind (NCLB) is federal legislation enacted with the goal of all students reaching academic proficiency by 2014 and all students being taught by a Highly Qualified teacher by 2007. As part of that goal, schools are required to issue to parents an annual report card that specifies the school's mission, indicates the demographic breakdown of its student body, presents their performance on standardized exams such as the New York State Assessments, and specifies the percentage of Highly Qualified teachers as defined by NCLB. Parents can request in writing to the Principal the educational credentials and licensure of any of their students' teachers.

APPENDIX 1

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

APPENDIX 2

Complaint Policy

In accordance with Education Law §2855(4), any individual or group may bring a complaint to the True North Troy Preparatory Charter School Board of Trustees alleging a violation of Education Law Article 56, the charter, or any other provision of law relating to the management or operation of the school. Nothing in the following suggested procedures precludes a group or individual from bringing a complaint under Education Law §2855(4) directly to the school's Board of Trustees.

An individual who has a complaint about a school practice or policy that does not concern the alleged violation of law or charter (e.g., a concern about an academic grade, the school's uniform policy, the school's cell phone policy, or the bus schedule) should address the complaint in writing to the Principal.

The Principal will respond to the complaint in writing or in person within 14 days. If this does not resolve the complaint or if the complaint is about the Principal, the individual or group may file a complaint in writing to the Chairperson of the Board of Trustees, who shall then appoint the School's Managing Director from Uncommon Schools or another designee(s) to review the complaint. The Chairperson's designee will respond to complaints in writing within 30 days.

Should an individual wish to register a complaint with the Board of Trustees at a Board meeting, the complaint must be submitted in writing at least one week prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees.

Emergency issues will be dealt with on an as-needed basis, with the Board's designee responding at or prior to its next regular public meeting. Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. Troy Prep will encourage all families to resolve all complaints at the school level in cooperation with the Principal. The Board, as necessary, may direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall render a determination in writing if appropriate or required.

If, after presentation of the complaint to the Chairperson of the Board of Trustees, the individual or group determines that the Chairperson or his/her designee has not adequately addressed the complaint, the complainant may present the complaint to the Board of Trustees of the State University of New York, which shall investigate and respond. If, after presentation of the complaint to the Board of Trustees of the State University of New York, the individual or group determines that the school has not adequately addressed the complaint, the complainant may present the case to the Board of Regents, which shall investigate and respond. The Trustees of the State University of New York and the Board of Regents have the power and the duty to take remedial action as appropriate.
